The University of Michigan Press, United States, 2003. Paperback. Book Condition: New. 206 x 153 mm. Language: English . Brand New Book. Filled with vivid full-color illustrations and dozens of informative sidebars on subjects as diverse as the Vestal Virgins of Rome, the Matronit of the Kabbala, and the almost universal association of the planet Venus with goddess figures, this is a book that will appeal to a wide audience, from scholars in women s studies, anthropology, folklore, and ancient...
