Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Education of Dependent Children in Institutions: Monograph IV to Accompany Round Table Plan for Trustees of Institutions for Dependent Children The Round Table Plan has been prepared to assist boards of trustees of institutions caring for dependent children in their administrative duties. It comprises eight studies, or round tables, each of which is devoted to a vital problem of institutional management. To discuss the questions raised, the Department of Child-Helping of the Russell Sage Foundation is preparing a series of eight monographs, one to accompany each of the Round Rabies. In the following monograph, The Education of Dependent Children in Institutions, only the academic and vocational aspects of the subject are discussed. The social, moral, religious, and other forms of education will be treated in the next monograph of the series, Development of the Individual Child in Institutions for Dependents. The following monographs are now available: I. The Job of Being a Trustee, by Dr. Hastings H. Hart. II. Admission and Discharge of Children, by Dr. Hastings H. Hart. III. Physical Care of Dependent Children in Institutions, by C. Spencer Richardson. The Round Table Plan and the Monographs can be obtained from the Department of Child-Helping at five cents a copy. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
