THE PHILOSOPHY OF PAINTING: A STUDY OF THE DEVELOPMENT OF THE ART, FROM PREHISTORIC TO MODERN TIMES (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Philosophy of Painting: A Study of the Development of the Art, From Prehistoric to Modern Times Paintings have been catalogued to death. There are enough histories of painting, such as they are; and as for dissertation and criticism, there is no end. It might seem presumptuous, therefore, to write anything further on a subject that has received so much attention from authors and scribblers alike. Perhaps it is. At all events, it has been done, and here it is. A long-winded apology could make it no better; and explanations would not excuse its defects. If it has any merits, they will take care of themselves. With deference to a polite and tottering old custom, the author announces his purposes in writing the book; They were, first, to sketch the course and progress of the art in an easy perspective; second, to assemble some scattered material which is interesting and convenient to have in small compass; third, to give some results of his own reasoning, and playfully, as it were, to fly the kite of speculation from more or less solid ground; fourth, to hit some absurdities which have long been shameless bores; fifth, to correlate some relationships which reveal a tendency strong enough to be called a spirit; and sixth, to suggest About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
