This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

A PILGRIMAGE TO BEETHOVEN

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Few persons are aware that Richard Wagner devoted himself to Belles Lettres. The present little novel, selected as a type of his literary productions, is a rare story, and gives, under the guise of a mythical conversation with Beethoven, Wagner s own views of musical art, thus affording a deep insight into his intellectual workshop. - Book Reviews: A Monthly Journal Devoted to New and Current Publications, Volume 4 This amusing little novelette, the most beautiful of those which Wagner wrote when he needed to call upon his pen to eke out his meagre support in Paris, as Dr. Carus tells us in the Preface he has affixed to this translation of it, has been published in very neat form by the Open Court Co. The translation is good. A fine photogravure of Beethoven faces the title-page. Altogether it is an attractive booklet, which will be an acceptable gift to all who can say they believe in God, Mozart and Beethoven. Apart from the interest of its association with the two greatest masters of musical composition of our century, however, the intrinsic literary quality of the novelette should be enough to give it a hearty welcome in its English form. - The Presbyterian and Reformed Review, Volume 10.
