(2) The rate or amount of the tax so imposed on different buildings or lands may be determined with reference, among other considerations, to their distance from the nearest point at which the water is deliverable by the works and to their level; but in fixing it regard shall be had to the principle that the total net proceeds of the tax, with the estimated income from payments for water supplied from the works under special contracts, should not exceed the amount required for the said purposes. Procedure 42. (jf) A committee may, at a special meeting, pass a resolution to prohibit imposition of any tax under section 39, section 40 or section 41. (2) When such a resolution has been passed, the committee shall publish a notice, defining the class of persons or description of property proposed to be taxed, the amount or rate of the tax to be imposed and the system of assessment to be adopted. (3) Any inhabitant objecting to the proposed tax may, within...
