Reviews

These sorts of ebook is the best publication accessible. It is amongst the most amazing ebook i actually have read. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Jace Gusikowski IV)

THE VIOLINIST S GUIDE TO FIDDLELING

Mel Bay Publications, United States, 2006. Paperback. Book Condition: New. 295 x 216 mm. Language: English . Brand New Book. Not your typical fiddle-tune book, these tunes range from variations of regular tunes to obscure Scottish polkas, classical duets, gypsy fiddle tunes, Cajun tunes and even two or three original tunes, with many in third and fifth position. Uncompromising care was taken in the transcription of these pieces, and virtually nothing was simplified. There are several classical piano pieces trimmed down to violin solos and duets, Americana, and even the authors own variations on Carnival of Venice. Included is an extensive section on playing back-up fiddle to another instrument, dwelling on chord patterns, double-stops, bowing patterns, shuffles, and all manner of accompaniment, and all fiddle tunes have chord symbols included.
