

Faith in Politics

By A. James Reichley

Brookings Institution. Paperback. Book Condition: new. BRAND NEW, Faith in Politics, A. James Reichley, According to current polls, about 85 percent of Americans identify with some religious faith and more than 40 percent say they attend religious services at least once a week. In recent years, religious observance --and even religious belief --have become important factors influencing voter choice. Active participation in electoral politics by some religious groups has fueled apprehensions that the traditional separation of church and state may be threatened. A. James Reichley explores the questions and conflicting positions surrounding the relations between government and politics in a new book that draws upon his landmark work, Religion in American Public Life. In Faith in Politics, Reichley explores the history of religion in American public life, and considers some practical and philosophic questions affecting future participation by religious groups in the formation of public policy. Reichley begins by examining the various attitudes and points of view of strict separationists, liberal social activists, moderate accommodationists, and direct interventionists. He goes on to discuss the way religion and politics relate to each other through a theoretic structure of seven value systems: monism, absolutism, ecstacism, egoism, collectivism, civil humanism, and transcendent idealism....
