

Wastewater Treatment using Carbon Nanotubes

Filesize: 2.35 MB

Reviews

Extensive information for ebook fans. It generally is not going to expense a lot of. I discovered this publication from my dad and i suggested this ebook to discover.

WASTEWATER TREATMENT USING CARBON NANOTUBES

DOWNLOAD

To download **Wastewater Treatment using Carbon Nanotubes** PDF, make sure you click the web link below and download the document or have access to additional information which are have conjunction with WASTEWATER TREATMENT USING CARBON NANOTUBES book.

LAP Lambert Academic Publishing Mai 2015, 2015. Taschenbuch. Book Condition: Neu. 220x150x6 mm. This item is printed on demand - Print on Demand Neuware - This book is focused on the preparation of a MWCNTs/P25 composite, and analyzing the prepared composite using different techniques. The adsorption capability of the MWCNTs and the photocatalytic activity of the synthesized MWCNTs/P25 samples were quantified in terms of their adsorption capacity and the photocatalytic degradation of organic dye. This research consists of three main parts. In the first part, the MWCNTs/P25 composite was synthesized using simple evaporation and a drying process. In the second part, the structural, morphological and chemical properties of the synthesized MWCNTs/P25 composite were investigated by different analytical techniques such as Raman spectroscopy, X-ray diffraction (XRD), Fourier transform infrared spectroscopy (FTIR), UV-visible diffuse reflectance spectroscopy and a scanning electron microscope (SEM). In the third part, two models of applications were performed: The adsorption capacity of an aqueous solution of Bismarck brown R (BBR) was used as a model of wastewater to study the treatment activity of MWCNTs and MWCNTs/P25. 96 pp. Englisch.
