What is our purpose for existence? Is there life after death? Questions concerning the natural as well as the supernatural go unanswered for many. Is there communication between these two worlds? Kairos is modern-day moments (examples) of God communication. Learn that the native tongue of the supernatural world is spirit. God is a spirit. The principles in this book have come from understanding that language. These principles, if understood and applied, have the power to implement a paradigm shift in life. A horse whisperer has learned the language of the horse. He is able to communicate with the animal in an amazing fashion. The Pneumaticus (spiritual) man has learned the language of the spirit. That person is able to experience life more abundantly. He or she is able to investigate and inquire into the mysteries of the universe. Begin now to anticipate your Kairos moment with God. You will never be the same.
