## THE KONGO OF MY ANCESTORS: IN THE MEMORY OF TATA KIMBANGU AND PATRICE LUMUMBA

Tate Publishing Enterprises, United States, 2011. Paperback. Book Condition: New. 208 x 132 mm. Language: English . Brand New Book. Do you know what it is that makes you who you are? Is it your name? Your education? Your race, religion, job, or bank account? Or is it your origin, the land of your ancestors, your culture? In *The Kongo of My Ancestors*, Fungula Fumu Ngondji describes his quest to find out what makes him who he is. Born and raised in what is now the Democratic Republic of the Congo, Fungula has seen many changes in his home country. Fungula offers a firsthand account of his youth in a traditional Congolese village; his teenage years living in the Congo's capital city, Leopoldville (now called Kinshasa), during the time of Belgium's colonial rule; and his career as an influential journalist, labor organizer, and freedom fighter under Mobutu's dictatorship. Fungula recounts the tragedies inflicted on the people of the Congo through the slave trade, colonization, evangelization, and neocolonialism, as well as his own search for freedom and self-realization. *The Kongo of My Ancestors* is a powerful, passionate call to action for the people of the Democratic Republic of the Congo and for all the people of Africa and the African diaspora.
