Springer, Netherlands, 2014. Paperback. Book Condition: New. 235 x 155 mm. Language: English . Brand New Book ***** Print on Demand *****.In this volume, I have collected several papers which were presented at the international conference called Venice-2/Symposium on Applied and Industrial Mathematics . Such a conference was held in Venice, Italy, between June 11 and 16, 1998, and was intended as the follow-up of the very successful similar event (called Venice-1/Symposium on Applied and Industrial Mathematics), that was also organized in Venice in October 1989. The Venice-1 conference ended up with a Kluwer volume like this one. I am grateful to Kluwer for having accepted to publish the present volume, the aim of which is to update somehow the state-of-the-art in the field of Applied Mathematics as well as in that of the nowadays rather more developed area of Industrial Mathematics. The most of the invited (key-note) speakers contributed to this volume with a paper related to their talk. There are, in addition*, a few significant contributed papers, selected on the basis of their quality and relevance to the present-time research activities. The topics considered in the conference range from rather general subjects in applied...
