Inspired by a true story, New York Times bestselling author Phillip Margolin turns his hand to historical fiction in this masterful saga about slavery and justice in the American West. Recently widowed attorney Matthew Penny has come to the newly settled Oregon frontier to start a new life. He encounters the most challenging case of his career when a former slave, Worthy Brown, asks him to save his teenage daughter from the man who owned them. *Worthy Brown s Daughter* is a compelling white-knuckle drama about two broken men risking everything for what they believe. Woven through with rich historical detail, it is a breathtaking narrative about the extent of evil and the high price of true justice.
