

Adolescent Rationality and Development: Cognition, Morality, and Identity

By David Moshman

Taylor Francis Ltd, United Kingdom, 2011. Paperback. Book Condition: New. 3rd Revised edition. 226 x 152 mm. Language: English . Brand New Book. Frequently cited in scholarly books and journals and praised by students, this book focuses on developmental changes and processes in adolescence rather than on the details and problems of daily life. Major developmental changes associated with adolescence are identified. Noted for its exceptionally strong coverage of cognitive, moral, and social development, this brief, inexpensive book can be used independently or as a supplement to other texts on adolescence. Highlights of the new edition include: * expanded coverage of thinking and reasoning. * a new chapter on metacognition and epistemic cognition. * expanded coverage of controversies concerning the foundations of morality. * a new chapter on moral principles and perspective taking. * a new chapter on the relation of personal and social identity. * a new chapter addressing current controversies concerning the rationality, maturity, and brains of adolescents. * more detail on key studies and methodologies and boldfaced key terms and a glossary to highlight and clarify key concepts. Rather than try to cover everything about adolescence at an elementary level, this book presents and builds on the...
